ENTRY INFORMATION PACK 2017

After listening to competitors' comments the rules for 2017 have been updated, taking out some of the complexity of the competition. The marketing section has been removed completely allowing competitors to focus more on what they do best, which is to cook healthy food for school pupils. The changes allow chefs to demonstrate their skills but are still in keeping with a school meal setting and incorporating the School Food Standards and the Eat Well Guide 2016. The cost per head has been reduced to £1.30 to reflect a more realistic food cost within education catering.
