Nan Berger OBE FIOH (1914-1998)

As an appreciation of Nan and her commitment to LACA and the school meals service, the LACA National Board felt it appropriate that the membership of LACA had a greater understanding of how she played a key role in our transition and shared our ambitions to see the school meal service thrive.

Nan worked for many years in association with the IOH and was a founder member of LACA. Nan had a great dedication to the cause of nutritious school meals for all pupils, and in 1990 published a book on the service, setting out the complete history, how it was formed from the early days of temporary kitchens and the structures and economics of school meals. As an editor she also enabled our first handbook to be published. Nan received an OBE in 1948 for the work she did on behalf of the government in the statistics department of the Ministry of Fuel and Power.
