SUPPLIER 'MEET THE BUYER'
AN EVENT OF OLYMPIC PROPORTIONS
AT THE LONDON STADIUM!

It's time for one of our biggest supplier events EVER, as we host our **Supplier 'Meet the Buyer!'** Event on Thursday 19th February (that's half-term!) at the London Stadium in Stratford! This is a fantastic opportunity to get to know suppliers, their new products, and nurture business relationships that will stand us all in excellent stead for the new year – and beyond!

Alongside an array of supplier stands will be a host of talks from industry experts – and an interactive workshop with **Tanya Ednan-Laperouse**, founder of **Natasha's Allergy Research Foundation**, meaning you'll not just be taking home the most innovative and exciting products, but invaluable knowledge and insight, too.

We'll wrap up this all-day event day with a suppliers' quiz and a raffle for charity, with a host of fantastic prizes to be won for both – and there'll even be a **FREE** tour of this storied stadium! This is one not to be missed
